Fire Along the Sky Sara Donati

With epic sweep and breathtaking adventure, Sara Donati's best-selling saga of an Early American family's struggle for survival in the Northeast wilderness continues with the story of an indomitable woman and an unforgettable journey of redemption across a young nation threatened by the flames of war.

The year is 1812, and Hannah Bonner has returned to her family's mountain cabin in Paradise. But Nathaniel and Elizabeth Bonner can see that Hannah is not the same woman as when she left. For their daughter has come home without her husband and without her son, and with a story of loss and tragedy that she can't bear to tell. Yet as Hannah resumes her duties as a gifted healer among the sick and needy, she finds that she is also slowly healing herself. Little does she realize that she is about to be called away to face her greatest challenge ever.

As autumn approaches, news of the latest conflict with Britain finds the young men of Paradise, including eighteen-year-old Daniel Bonner, eager to take up arms. Against their better judgment, Nathaniel and Elizabeth must let him go, just as they must let his twin sister, Lily, a stubborn beauty, pursue her independence in Montreal.

But on the eve of the War of 1812, an unexpected guest arrives from Scotland: It is the Bonners' distant cousin, the newly widowed Jennet Scott of Carryckcastle. Far from home, Lily and Jennet will each learn the price of pursuing their dreams and the possibility of true love.

But it's Hannah herself who must risk everything once more, this time to save Daniel, who's been taken prisoner by the British.

As the distant thunder of war threatens Paradise, Hannah may learn to live - and maybe love - again in one final act of courage, duty, and sacrifice.
