Marriage and Family in the Biblical World

Marriage and Family in the Biblical World

Current debates about marriage and the family assume much about the history of these institutions. But what do we really know about the social and ethical arrangements of these institutions, especially during biblical times? Placing the history of marriage and family in context requires not only a study of biblical literature that traverses several millennia but also a grasp of extrabiblical literature and sources culled from several different cultural contexts. In this book Ken M. Campbell presents the work of six scholars who trace out the dynamic contours of marriage and family as understood and practiced in six cultural settings: Victor H. Matthews on the ancient Near East, Daniel I. Block on ancient Israel, S. M. Baugh on Greek society, Susan M. Treggiari on Roman society, David W. Chapman on Second Temple Judaism and Andreas Köstenberger on the New Testament era. The result is a well informed and documented map that outlines the similarity and diversity of concepts and customs, including marriage, divorce, sexual ethics, gender roles, children, celibacy, adoption, abortion, contraception and family life, which surrounded and intersected Ancient Israel and the church in New Testament times.

From reader reviews:

Nathan Kelly:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each e-book has different aim or even goal; it means that e-book has different type. Some people sense enjoy to spend their a chance to read a book. They can be reading whatever they consider because their hobby is definitely reading a book. What about the person who don't like reading a book? Sometime, person feel need book once they found difficult problem or exercise. Well, probably you will require this Marriage and Family in the Biblical World.

Kevin White:

What do you think about book? It is just for students since they're still students or that for all people in the world, the actual best subject for that? Only you can be answered for that query above. Every person has several personality and hobby for every other. Don't to be pushed someone or something that they don't wish do that. You must know how great and also important the book Marriage and Family in the Biblical World. All type of book would you see on many resources. You can look for the internet methods or other social media.

Kathryn Granger:

Nowadays reading books be a little more than want or need but also get a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge your information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want drive more knowledge just go with training books but if you want feel happy read one having theme for entertaining for example comic or novel. The Marriage and Family in the Biblical World is kind of publication which is giving the reader unstable experience.

Leonard Vega:

Exactly why? Because this Marriage and Family in the Biblical World is an unordinary book that the inside of the book waiting for you to snap it but latter it will shock you with the secret the item inside. Reading this book adjacent to it was fantastic author who write the book in such remarkable way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I ended up you I will go to the book store hurriedly.
