The history of Jamaica Edward Long

(...) "histories have been published of this island; yet none, that I have met with, affords much more than a general outline, very unsatisfactory to those who intend to settle in it.

Having spent some years of my life there, I thought I could not devote my leisure to better purpose, than endeavouring to give an idea of its products, and importance to Great-Britain, beyond what may be conceived from a perusal of those publications.

In regard to the plan of this work, it may be proper to advertise the reader, that I have avoided entering into detail of the characters and speeches of our governors; or reciting the various VOL. I. B exploits

exploits of admirals and generals. The former would afford very little matter either for entertainment or instruction; the latter are copiously related by different historians, in treating of the naval and military affairs of the mother state.(...)".

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The history of Jamaica can make you feel more interested to read.
