The SAGE Handbook of Family Communication (Sage Handbooks)

The SAGE Handbook of Family Communication (Sage Handbooks)

A thorough exploration of the critical topics and issues facing family communication researchers today

The Sage Handbook of Family Communication provides a comprehensive examination of family communication theory and research. Chapters by leading scholars in family communication expand the definition of family, address recent shifts in culture, and cover important new topics, including families in crisis, families and governmental policies, social media, and extended families. The combination of groundbreaking theories, research methods, and reviews of foundational and emerging research in family communication make this an invaluable resource that explores the critical topics and issues facing family communication researchers today.
