America's Mayor: The Hidden History of Rudy Giuliani's New York

America's Mayor: The Hidden History of Rudy Giuliani's New York

Rudy Giuliani's admirably steely response to the horrifying events of 9/11 made him a national hero, positioning him for a renewed political life as governor, senator, or, his ultimate quest, president. But the outpouring of post-9/11 praise obscured many uncomfortable facts about Giuliani, one of the most polarizing figures in the Big Apple's history. Edited by Robert Polner, who covered city hall for Newsday during much of Giuliani's administration, *America's Mayor* collects the original essays and reporting of some of New York's best writers, including Pulitzer Prize winner Jim Dwyer, Tom Robbins, Ann Roiphe, Joe Jackson, Luc Sante, Terry Quinn, and others. These writers have uncover the dark realities behind the myth of Rudy Giuliani, offering an informative and entertaining corrective to the simplistic celebration of Giuliani as "America's Mayor." Giuliani's McCarthy-like penchant for smearing; his attempts to defang the city's vibrant alternative cultures; his exploitation of 9/11 for personal aggrandizement; his disastrous fiscal policies - these are among the many subjects addressed.
