Thistle and Thyme: Tales and Legends from Scotland Sorche Nic Leodhas

A collection of ten Scottish legends passed down through the ages

Scottish culture is rich with mythology. There are tales of monks and saints, fairies and witches, kings, nobles, and ordinary people doing extraordinary things. Some stories were never written down, shared instead through retellings that turned storytelling into an art form.

In *Thistle and Thyme*, Sorche Nic Leodhas brings together ten folktales that were passed down through the generations as part of Scotland's vibrant oral tradition. In this volume, stories about the changeling and the stolen child, the bride who was cursed to silence by a water kelpie, and the beekeeper who found a rabbit under a spell are just a handful of the thousands of local myths that make up Scotland's colorful history.

From reader reviews:

Larry Young:

Nowadays reading books be than want or need but also turn into a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want attract knowledge just go with schooling books but if you want really feel happy read one using theme for entertaining for instance comic or novel. Typically the Thistle and Thyme: Tales and Legends from Scotland is kind of reserve which is giving the reader unpredictable experience.

Barbara Mobley:

Reading a book being new life style in this 12 months; every people loves to examine a book. When you learn a book you can get a lot of benefit. When you read publications, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, and soon. The Thistle and Thyme: Tales and Legends from Scotland provide you with new experience in reading through a book.

Joseph Vest:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Thistle and Thyme: Tales and Legends from Scotland can make you truly feel more interested to read.

Richard Thompson:

Reading a book make you to get more knowledge from that. You can take knowledge and information from your book. Book is created or printed or illustrated from each source that will filled update of news. In this particular modern era like right now, many ways to get information are available for an individual. From media social including newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just searching for the Thistle and Thyme: Tales and Legends from Scotland when you necessary it?
