Oceans Apart In a riveting story of secret sin and the healing power of forgiveness, Airline pilot Connor Evans and his wife, Michele, seem to be the perfect couple living a perfect life. Then a plane goes down in the Pacific Ocean. One of the casualties is Kiahna Siefert, a flight attendant Connor knew well. Too well. Kiahna's will is very clear: before her seven-year-old son, Max, can be turned over to the state, he must spend the summer with the father he's never met, the father who doesn't know he exists: Connor Evans. Will the presence of one lonely child and the truth he represents destroy Connor's family? Or will healing and hope come in the shape of a seven-year-old boy? Between Sundays Aaron Hill---a young man with athletic good looks and the many privileges of a star quarterback. But he's about to receive a whole new view of his self-centered life. Derrick Anderson---a veteran pro football player who volunteers his time with foster kids. Now he's looking for a miracle, and he must strive for the one thing that matters most---keeping a promise he made years ago. Megan Gunn---a woman with a heart for underprivileged kids---especially the foster child whose dying mother left him in Megan's care. Now she wants to adopt him, but one obstacle stands in her way: 49ers quarterback Aaron Hill. Two men and the game they love. A woman with a heart for the lonely and lost, and a boy who believes the impossible ... thrown together in self-discovery and a new awareness of the things that matter most.
