The incredible love story between a young, beautiful college student Gina and a charismatic Italian billionaire Alanzo will leave you breathless.

Gina Gavalas, the shy and beautiful but untouchable, daughter of a Greek American mogul and alleged mobster, was used to her pampered life in the Big Apple.

Her only escape from reality came in the form of classic romance novels and her regular trips to the school library. Little did she know that she becomes the subject of a bet within a group of prep school senior boys who were fond of picking out on the young girls in their academy.

But while attending a lavish weekday Manhattan gala, she did not expect to meet the man of her dreams. Alanzo Mantovani was his name, and he was an alluring yet mysterious stranger from Lombardy, Italy. His sweet tongue, exotic aura, and captivating looks became an obsession to her, and as she continued to seek for his attention and maybe even his love, she is pushed beyond the border of innocence and learns to face the truth that awaits anyone who dares to succumb to their lustful desires.

Set in the privileged and indulgent world of the upper east side of New York City, The Secret Kiss will take you back to the days when you first experienced a taste of young lust and love.

Warning : this ebook contains mature themes and language intended for 18+ readers only. Happy ending. Standalone novels. No cliffhanger.
