Keisha Beale has an 'arrangement' with one of the richest men in Chicago, who treats her like a queen, but she wants normalcy for the holidays. Well, as much normal as you can get from a man like Tristan White, who has everything and doesn't think love is something he needs.

Jada Jameson's dark past may be surprising to some considering the family she comes from. Nathan White wants her in every way a man wants a woman, but she needs hardcore kink, and the pace at which their relationship is progressing has left her wanting more.

Will the ladies of Kente Studio Records get everything they want from their first Christmas with the White brothers?
