## **Gathering Shadows (Finding Sanctuary)** Nancy Mehl

Wynter Evans is a promising young reporter for a television station in St. Louis, but even a bright future doesn't take away her pain over the disappearance of her brother nine years ago. So when she stumbles across a photograph of a boy with an eerie resemblance to him, she can't pass up the chance to track him down. With research for work as her cover, she sets out with one of the station's photogs for the place where the picture was taken: the town of Sanctuary.

Almost as soon as she arrives, she meets the town's handsome young mayor, Rueben King, and together they begin to uncover long held secrets that could tear the small town apart and change everything Wynter thought she knew about her life. As the truth of her family's past hides in the shadows, it's clear someone will stop at nothing to keep the answers she's searching for hidden forever--even if the cost is Wynter's very life.
