Hunting Fear: Lucas Jordan, a key agent and profiler in Noah Bishop's Special Crimes Unit, has an extraordinary skill: he locates missing people. Now Jordan has come to Clayton County, North Carolina, where the latest in a string of kidnapping victims has turned up dead. Complicating the situation is the presence - and predictions - of someone who's even more of an outsider than Jordan himself: carnival psychic Samantha Burke, a woman out of his own haunted past. **Chill of Fear:** FBI agent Quentin Hayes always knew he had an unusual talent, even before he was recruited by Noah Bishop for the controversial Special Crimes Unit. But for twenty years he's been haunted by a heartbreaking unsolved murder that took place at The Lodge, a secluded Victorian-era resort in Tennessee. Now he's returned one final time, determined to put the mystery to rest. **Sleeping with Fear:** A federal agent assigned to the Special Crimes Unit, Riley was a chameleon - a clairvoyant who could blend in with her surroundings. She'd been sent to the beachfront cottage on Opal Island by her enigmatic chief, Noah Bishop, to investigate reports of dangerous occult activity. But that was three weeks ago. Now she's awoken to discover that she's got a sexy new man in her life and an unreliable memory, and that the clairvoyant abilities she's always depended on to protect her are MIA.
