The Drift Wars Brett James

Peter was ready to give his life to save his people.
He just didn't realize how many times they would ask.

Peter Garvey was just a kid when the warships emerged from the Drift and devastated his homeworld. He enlisted immediately, leaving behind his small-town life to fight in distant space.

Barely surviving basic training, he is thrust to the front line to battle the Riel, an army of creatures beyond his darkest nightmares.

As the two races clash inside the vast uncharted Drift, Peter's six month tour of duty grows into years. His friends die in combat, but Peter survives, inexplicably, until he discovers that he can't be killed.
