GRAB IT WHILE IT'S HOT! 3 STORY *FIRST TASTE* BUNDLE!

DIRTY DANCING WITH HER

Stephanie gets more than she ever imagined when she goes to a lesbian club for the first time...

Bored with being single but absolutely *not* interested in any of the guys that her friends try to introduce her to, Stephanie decides to try out a lesbian club to see if *that's* what's stopping her from getting serious with anyone. She meets Amber, a *gorgeous, experienced lesbian* out on the dance floor, and when the *attraction between the two of them* is undeniable, she follows this strange, new girl to the backroom. What will happen when Amber makes a move on the *seriously inexperienced but curious* Stephanie? Will she finally *get the release* she's always dreamed of, or deny herself the *pleasure*?

A TASTE OF MATURITY

"You're so tense, I think I know how to really relax you," Megan purred.

I was so stressed with work and everything else that I couldn't stop complaining to my best friend, Marie. Since she had made so many attempts with advice before, she finally suggested I go to a new masseuse in town to try to get the stress relief I so desperately needed. Megan, an *older but insanely hot* lady scheduled my first massage for the same evening I went in to meet with her about a trial membership. I couldn't keep my mind off of her *curvy body* the rest of my day at work. But that was crazy, right! I had *never even been with a woman before* but there was something about this *MILF* that had my imagination running wild. The attraction must have been mutual, because the *innocent* massage she was giving me turned into something *much steamier*. Amazon won't let me tell you exactly what happened, you'll have to look inside to find out!

GIVING IN TO DESIRE

I never knew moving into a new home could be so fun...

Taylor was all packed and ready to move into the home that her great aunt had left her, excited to move out of a cramped apartment and into something with more room and privacy. Just as she was ready to carry some of her things in, her new neighbor, a *sexy blonde* named Alexa offered her assistance. After finding a rogue toy in the bag she was unpacking, Alexa started asking questions about past experiences, namely if she had ever been with a woman before. What will happen when Taylor admits her *innocence and inexperience* to the curious woman? Will she let Alexa *take her* and show her all of the *mind blowing pleasure* she's been missing? Or will she stick to lonely nights with her toys instead?
