The Dragons' Fyre (The Dragons' Prophecy) (Volume 1) H M Hearing

Dragons are myth... ..or so we have been told. But now... ..one human is invited back into their forgotten realm. Pheyleen is destined to save the dragons forgotten to myth. To prove her worth, she has to go on a perilous journey to the forbidden Isle of Dracobane, home of the Dragons. Along her path she must seek out these supposedly mythical creatures. Most of them would rather kill any human they see rather than have them taint their precious bloodline. It was Humans, after all, that stole their powers. Despite what had happened in the past, the Dragons needed her. She was to fill an ancient prophecy to restore their stolen power. They needed her and the flow of magic that filled her. Will the prophecy be fulfilled or dashed by the very creatures who reap its benefits?
