The Fallen (Nine Lives of Chloe King) Celia Thomson

Chloe King was a normal sixteen-year-old girl.

She did her homework and got good grades, but she wasn't afraid to ditch class sometimes to hang out with her best friends. She slept at home, but otherwise avoided all human contact with her mom. The usual stuff.

Then she fell from San Francisco's highest tower, and her life changed. For starters, she died. And then, she woke up.

Now Chloe's life is anything but normal: Suddenly guys are prowling around her, she's growing claws, and someone's trying to kill her.

Luckily for Chloe, she still has eight lives to go.
