For many years, author Paula Huston had been in a faith struggle. Having returned to Christianity and converted to Catholicism, she realized one morning that God was calling her to a deeper experience of holiness, which would require of her arduous work that led to the simplest surrender.

*By Way of Grace* is Huston's artfully written account of what she learned during her struggle to grow in faith and to accept God's grace. The book contends that the spiritual life firmly rests on saints and virtues, and each chapter focuses on how a great saint of the mystical Catholic tradition explains and exemplifies one of the traditional Christian virtues. For anyone struggling with how to move forward in his or her faith, this book demonstrates how to know, love, and serve God in holiness.
