**Warning: A dark, sexy, boundary-pushing read featuring a damaged man who will do whatever it takes to avenge his girl.** (Please read entire description before purchase.)

They destroyed the woman I love. Now I'm going to make them wish they had never been born.

The frat boys who hurt Sam will pay the price for what they did. And the price is everything. I will have their pain, their suffering, and then their lives. I am not the man I was last summer; I'm a stone cold bastard with a lump of ice where my heart used to be.

They drove Sam away from me and now there is nothing left to lose. And then I see her...walking through the airport in Costa Rica.

It's Sam. She's alive and here for the same reason I am--to take vengeance.

It doesn't take long to figure out we're as perfect together as we've always been. Now we just have to decide--carry through with our dark plans, or get out before it's too late.

**READER ALERT:** This is the second half of Danny and Sam's story and should be read after *Run With Me*. *Fight for You* is a complete novel of 56,000 words that contains adult themes, violence, murder, and possible triggers for sexual assault victims.

(PLEASE READ: *Fight For You* was previously published as *One Beautiful Revenge* by J. Evans. It has been rereleased with a title and cover that more accurately reflect the twisted, dark, romantic thrill ride on the page.)
