## **She's the woman Murphy's Law was made for.**

Ella Louise firmly believes that it's trouble that finds her, and definitely not the other way around. After a trip to prison for a crime she didn't commit, too much rehab, and a year of completed probation fresh under her belt, she's ready to finally start fresh. If only things were that easy...

## **He's the man who's about to learn what desperate really is.**

Tyson Adler had everything under control, until it doesn't. The Highway Reapers are asking for money he doesn't have. But it's just a matter of time – if he can avoid them long enough, he's sure he can get his hands on some cash, and all of his problems will go away. Problem is, the Reapers are his gang.

## **And they're about to taste the dangerous mix of temptation and trouble...**

When an offer is made that Ella just can't refuse, she jumps at the chance. All she has to do is find some guy in town and turn him over. Simple. Everything goes according to plan, but when she meets her ruggedly handsome target, things get out of hand hard and fast.

### **EXCERPT**

“No. We're leaving.” Tyson threw a couple of bills on the table, stood up, and wondered what this was. Was she some kind of con woman? If so, she wasn't going to find much to steal at his place, and he was willing risk it for the sweet piece of ass she seemed to be offering. He waited a few seconds and was rewarded by Ella turning and swinging her long legs as she prepared to get off the stool. The thought crossed his mind to offer a bit of help, but she hopped down without a hitch. She was dressed in a sexy denim mini skirt, and those heels made her look like her legs went on forever. Good trick at her height. Now that he was standing next to her, he would put her at around 5'6", but to his 6'1" she was still a small gal.

Ella hooked her arm around his and looked up at him. He'd noticed her eyes before, but they didn't look as green and bright as they did now. “Where are we going, Sonny?”

“We’re off to get you what you seem to be asking for.”
