**Eye of the Beholder (Mitchell Crowe: Shorts Book 2)** Mitchell Crowe

A first-person horror story following the style of "The Other Side of the Door."

Confronting us at the very start with a dreadful scene of ghastly physical and psychological torture, Crowe presents a monstrosity against human dignity. However, after being led to a conclusion about the nature of the narrator's character, we are suddenly challenged in that belief - leaving us to question our viewpoints on good and evil, right and wrong.

Recommended for ages 18 and up, only.
