**Filth** Irvine Welsh

**With the Christmas season upon him, Detective Sergeant Bruce Robertson of Edinburgh's finest is gearing up socially—kicking things off with a week of sex and drugs in Amsterdam.**

There are some sizable flies in the ointment, though: a missing wife and child, a nagging cocaine habit, some painful below-the-belt eczema, and a string of demanding extramarital affairs. The last thing Robertson needs is a messy, racially fraught murder, even if it means overtime—and the opportunity to clinch the promotion he craves. Then there's that nutritionally demanding (and psychologically acute) intestinal parasite in his gut. Yes, things are going badly for this utterly corrupt tribune of the law, but in an Irvine Welsh novel nothing is ever so bad that it can't get a whole lot worse. . . .In Bruce Robertson Welsh has created one of the most compellingly misanthropic characters in contemporary fiction, in a dark and disturbing and often scabrously funny novel about the abuse of everything and everybody.

"Welsh writes with a skill, wit and compassion that amounts to genius. He is the best thing that has happened to British writing in decades."—*Sunday Times* [London] "[O]ne of the most significant writers in Britain. He writes with style, imagination, wit, and force, and in a voice which those alienated by much current fiction clearly want to hear."—*Times Literary Supplement* "Welsh writes with such vile, relentless intensity that he makes Louis-Ferdinand Céline, the French master of defilement, look like Little Miss Muffet."—Courtney Weaver, *The New York Times Book Review* "The corrupt Edinburgh cop-antihero of Irvine Welsh's best novel since *Trainspotting* is an addictive personality in another sense: so appallingly powerful is his character that it's hard to put the book down....[T]he rapid-fire rhythm and pungent dialect of the dialogue carry the reader relentlessly toward the literally filthy denouement."—*Village Voice Literary Supplement*, "Our 25 Favorite Books of 1998" "Welsh excels at making his trash-spewing bluecoat peculiarly funny and vulnerable—and you will never think of the words 'Dame Judi Dench' in the same way ever again. [Grade:] A-."—Charles Winecoff, *Entertainment Weekly*

### From reader reviews:

#### **Amanda Dell:**

Nowadays reading books be than want or need but also be a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The information you get based on what kind of e-book you read, if you want get more knowledge just go with training books but if you want really feel happy read one having theme for entertaining for instance comic or novel. Often the Filth is kind of reserve which is giving the reader unforeseen experience.

#### **Eliseo Watkins:**

Exactly why? Because this Filth is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who have write the book in such remarkable way makes the content on the inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking approach. So , still want to hold off having that book? If I were you I will go to the reserve store hurriedly.

#### **Michael Crew:**

As we know that book is vital thing to add our understanding for everything. By a publication we can know everything you want. A book is a list of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This e-book Filth was filled regarding science. Spend your spare time to add your knowledge about your technology competence. Some people has distinct feel when they reading a book. If you know how big advantage of a book, you can sense enjoy to read a e-book. In the modern era like now, many ways to get book which you wanted.

#### **Dona Henry:**

That book can make you to feel relax. This book Filth was bright colored and of course has pictures around. As we know that book Filth has many kinds or category. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and believe that you are the character on there. Therefore not at all of book are make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading that will.
