—RT BOOK REVIEWS

Jennifer Franklin can't escape the strange and horrifying dream that has haunted her since childhood. So when that very dream comes alive on the pages of author Brett McCormick's latest bestseller, she's determined to find out what it all means.

The attraction between Jennifer and Brett is instant and irresistible. Then, a twist of fate lands them in New Orleans and the two lovers are thrust into a battle that transcends time, for their love, and for their lives.

In this wild, time-bending, and passionate story, even as the flames of their desire can't be smothered by death, a fierce enemy from their past is determined to prove otherwise.
