Traditional Witchcraft and the Path to the Mysteries Melusine Draco

Traditional Witchcraft and the Path to the Mysteries, the sixth and last in the Traditional Witchcraft series, is a voyage of discovery and, as with every journey, it is essential that we understand where we are now and where we want to be. We need proper direction unlike that popular old Irish saying: “If I wanted to be going there, I wouldn’t be starting from here!” So let us make our preparations, put our house in order, and begin our journey of exploration and self-discovery. As with all stages of Life there are friends and acquaintances to consider: the essence of some we will take with us – the rest we will leave behind. But as the genii from Where the Rainbow Ends says: “Time is short, and we have far to travel.”
