Even the Elect Shawn Hopkins

America is a prison. The world is falling apart. The signs of the times are clear. And an ancient agenda sits behind it all. As the pieces begin to come together, forming the image of an apocalyptic prophecy, only one component is still missing from its final fulfillment.

And Matthew Scott, a man with a dark and hidden past ever trying to hunt him down, finds himself in possession of it—armies of professional killers suddenly tracking his every move.

With billions of lives trapped within the crosshairs of a diabolical plan to usher in a false christ, Matthew Scott stands in the way... the entire world, retribution for his past sins, and the only person on the planet he has ever cared for all hanging in the balance.

Note: *The Solomon Key* is the second edition of this novel.
