You have the ability, right now, to accomplish more than you ever have before. In this powerful, practical audio book, Brian Tracy shows you how to plot your course to greater success and achievement. Life, Tracy writes, is a journey. And as with any other journey, you have to do more than just think happy thoughts about where you want to go. You need clear goals, plans, and schedules to get from wherever you are today to wherever you want to be in the future. Like any good pilot, you need a flight plan that you file before you begin and that you use to guide you on your way.

There are universal principles and timeless truths that have been discovered and rediscovered through the ages and that all successful people learn and practice. In twelve fascinating chapters, you'll learn how to:

- Determine exactly who you are and what you want in every area
- Select a clear, measurable goal or destination to focus on
- Create detailed plans of action that guarantee your success
- Develop the unshakable self-confidence you need to take off
- Detail exactly what you must do to achieve your goals
- Stay on course--persisting through the inevitable setbacks, detours, and turbulence--until you arrive at your destination

When you follow Brian Tracy's Flight Plan, the sky is the limit!
