If Jessica thought the hard part of her first months in the new state was getting the handsome cowboy that has it all, she was dead wrong. In addition to all the trials and tribulations of a normal relationship, Jessica also has to combat William's mother, who doesn't believe William's chosen is in it for anything other than the money. All seems futile in her new life until Jessica gets a needed surprise: her friends! With her crew from L.A. all gathered together in Texas, parties and shenanigans ensue.

It is here that Jessica's BFF Lump meets Adam, the brooding cowboy with a haunted past to match her own. The two take over the spotlight as one wars with the other, each unable to find peace within themselves, turning to violence within their turmoil.
