How do you make peace with the dead if the dead aren't ready to forgive? The answer lies in the new Bishop/Special Crimes Unit novel by the *New York Times* bestselling author of *Hostage...*

Trinity Nichols left a high-stress job for a quiet, small-town life in Sociable, Georgia. But a string of missing women in the area has left the town on edge. And then, a man is found dead right in town. There is nothing remotely ordinary about how he died, or about the prime suspect—a terrified young woman. Soon, Trinity's investigation will yield much more than she bargained for.

A group of strangers has descended on Sociable, some with abilities Trinity finds hard to believe, and agendas she refuses to trust. For some reason, they know a lot more than they should about the strange events in town. And what's happening in Sociable is growing stranger by the minute.
