Life is a Beautiful Thing: (Book Four) (Cyberpunk Science Fiction Series) Harmon Cooper

The hunt is on.

Meme and company are off to Cuba only to be greeted by a team of MercSecure representatives. Not one to be intimidated, BlurYou founder Bill Bleak hosts a press conference revealing the extent of the Gene X program, a joint project funded by the FCG and Sauria's two companies seeking to bridge the gap between human and Humandroid. While dealing with pirates off the coast of Somalia, Keva receives a message that compels her to fly halfway around the world for a rescue mission.

Yeshi versus Rinchi. Sauria versus Bleak. The FCG versus Anonymous. Meme versus himself.

The hunt is on.

Part techno thriller, part dystopian science fiction, *Life is a Beautiful Thing* is a series that questions what it means to be human; a collection of novels that offers a shocking glimpse into a dark future fueled by corporate deceit and high-end intoxicants.

Book four is the final book in the Red Book Series (books 1-4). The Blue Books (books 5-8) will be out next year!
