A spiritual guidance system with rituals to tap into and manifest feminine divine energy through the Motherpeace deck

- Contains over 20 rituals, exercises, and readings that integrate tarot with spiritual practice, rites, and celebrations
- Demonstrates how *Motherpeace* cards may be used to improve health, relationships, and personal insight; celebrate holidays; and commune with the divine forces of the universe
- By the cocreator of the *Motherpeace* deck (more than 200,000 copies sold)

First printed during the crest of the women's spirituality movement, the *Motherpeace* deck created a sensation as a multicultural tarot designed specifically for women. Depicting people of color, older women, children, animals, and balanced roles for men and women, the *Motherpeace* deck embraces images from ancient cultures and contemporary tribal peoples to convey the fundamental principles of cooperation, relatedness, egalitarianism, and ecstatic communion. *Rituals and Practices with the Motherpeace Tarot* offers a deep spiritual practice that taps into and manifests the divine feminine through ritual readings, rites of passage, daily meditative practice, and seasonal celebration. Vicki Noble teaches how to use the imagery of the *Motherpeace* deck to read the past, present, and future; invoke good health on all planes; nurture healthy relationships; receive divine guidance during critical decision-making; and celebrate sacred holidays. Her book is a useful tool for both beginners and those with extensive knowledge of tarot.
