Google Docs™ is a free online software suite of word processing, spreadsheet, presentation, forms, and drawing programs. All files are stored by Google and are accessible from any computer that has Internet access. The format allows students to create, edit, share, and collaborate on documents with their peers-in the classroom or at home. Every activity has been used in the classroom (successfully!) and can be done in a 45 minute computer lab session. The activities are ready to use-or they can be adapted to fit your specific lessons plans. Discover how fun collaborative learning can be as you and your students participate in this innovative style of learning using the latest in technology.

Bonus for e-book buyers: Although the book is printed in black and white, you can print the e-book pages in either black and white or full color!
