A hard worker with a strong sense of duty

Curvy Julia Barker is making her own way in life. She's sure her psychology degree will come in useful sometime, even though she has to work as a waitress to try and cover her rent.

Then she receives an offer she can't refuse — free accommodation in return for a morning job and appearing on a dating site offering curvy women to lovelorn shifters.

Her research into shifters sends her senses reeling at the thought of hot, handsome alpha men.

A bear who's seen a vision of perfection in the forest

Shy Max Haynes and his bear know he needs to find his mate, and fast. He decides to find her without telling his family and so signs on with an online agency.

Max recognises his mate instantly when Julia knocks at his door.

But Julia isn't so sure. Does she want a man so shy that she would have to take control?

Can each change and adapt to meet the needs of the other?

But when a family emergency sends her flying across the continent, she feels lost and alone, wondering if his fear will keep him trapped without her.

Can Max overcome his fears and become the alpha she longs for?

Can he bring his mate safely home?
