Parenting for Peace: Raising the Next Generation of Peacemakers Marcy Axness

If we really want to change the world, let's raise a generation "built for peace"... from the very beginning.

Parenting for Peace is a user-friendly scientific roadmap for how to do exactly that... while bringing more joy into family life!

Parenting for Peace details a unique seven-step, seven-principle matrix for hardwiring our babies and children with the brain circuitry for such essential peacemaker capacities as self-regulation, empathy, intelligence, trust and imagination. The win-win is that a child wired in this vibrantly healthy way is a joy to parent, and as an adult has the heart to embrace and exemplify peace, the mind to innovate solutions to social and ecological challenges, and the will to enact them. To be successful in a changing world.

Parenting for Peace offers readers a user-friendly shortcut around today's information overload, because it gives them the most important research from dozens of leading experts woven together with its own empowering perspectives on bringing more joy into family life.
