ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Perspective and Sketching for Designers Plus MyInteriorDesignKit with Pearson eText -- Access Card Package helps students learn how to draw quickly and believably by mastering practical techniques for perspective drawing and estimating scale and proportion. Drawing on extensive experience teaching beginners, the authors overcome many limitations of previous books. Rather than featuring professional work that beginners can't possibly duplicate, they show examples of student drawings, helping students gain confidence and gauge their progress. Avoiding unnecessary theory, math, and jargon, they help students develop an intuitive sense of scale and proportion for creating believable perspectives, and offer valuable tricks and shortcuts throughout. In place of lengthy narratives, they support each lesson with supporting video walking through key techniques. The authors also devote lessons to SketchUp (for blocking out perspectives) and Photoshop (for enhancing sketches).

Available in this package is MyInteriorDesignKit!

MyInteriorDesignKit is an online supplement that offers book specific resources including flashcards, study aids, images, projects and additional material not found in the book.
