(Book). TI:ME is a non-profit organization whose goals and objectives include the development of in-service teacher training and certification in the area of music technology. This updated edition is an essential resource for all K-12 music educators. It contains hundreds of ideas to assist teachers in integrating technology into the music curriculum, the areas of competency leading to TI:ME certification, and a description of the Technology Institute for Music Educators. These "strategies" are organized around seven essential areas of competency in music technology as they apply to the National Standards for Arts of Education.
