Lewis Carroll

Alice's Adventures in Wonderland and Through the Looking-Glass: 150th-Anniversary Edition (Penguin Classics Deluxe Edition) Lewis Carroll

"Curiouser and curiouser!" cried Alice (she was so much surprised, that for the moment she quite forgot how to speak good English.) "Now I'm opening out like the largest telescope that ever was! Good-bye, feet!"

Alice and all her many friends will never be forgotten so long as books for children are published. The fascinating adventures of this timeless little girl as she plunges down the rabbit-hole, shrinks and grows, meets the pack of cards and the chess pieces -- should be read regularly by all ages for their totally original fantasy, their humor, and their charm.
