Eve es la experta del departamento forense en reconstruir rostros de cadaveres desfigurados. Pero nada la ha preparado para el momento en que descubre que el rostro de la mujer muerta sobre el que esta trabajando tiene las facciones de su propia hija Jane. Alguien que no esta muerto... todavia. A pesar del peligro que la acecha, Jane no reacciona con terror como lo haria otra adolescente cualquiera. Los extraños suenos que tiene desde hace algun tiempo le revelan que el asesino que la acecha, el mismo que ha matado a varias mujeres tan solo porque se le parecian, no se va a detener ante nada. Pero Jane cuenta con la ayuda de su despierta inteligencia, su instinto y su valor... y con la colaboracion de un misterioso extrano, seductor y enigmatico, un hombre con un turbio pasado que puede ser el unico con las claves para salvarla. / Eve Duncan's job is to put a face on the faceless victims of violent crimes. Her work comforts their survivors and helps catch their killers. But there is another reason Duncan is driven to do the work she does: a dark nightmare from a past she can never bury. And as she works on the skull of a newly discovered victim, that past is about to return all over again.
