Günter Grass

El Tambor de Hojalata/ The Tin Drum (Spanish Edition) (New Edition) Günter Grass

Acclaimed as the greatest German novel since the end of World War II, *The Tin Drum* is the autobiography of thirty-year-old Oskar Matzerath, who has lived through the long Nazi nightmare and who, as the novel begins, is being held in a mental institution. Willfully stunting his growth at three feet for many years, wielding his tin drum and piercing scream as anarchistic weapons, he provides a profound yet hilarious perspective on both German history and the human condition of the modern world.

Spanish Description:

El día de su tercer cumpleaños es un fecha determinante en la vida de Oscar, el pequeño que no quería crecer. No solo es el día en que toma la decisión de dejar crecer, sino que recibe su primer tambor de hojalata, objeto que habra de convertirse en companero inseparable para el resto de sus dias. La critica mordaz, la ironia despiadada, el espectacular sentido del humor y la libertad creadora con que Gunter Grass construye esta obra maestra convierten a *El tambor de hojalata* en uno de los titulos mas deatacados de la historia de la literatura.
