Good Bones and Simple Murders & the Tent

Margaret Atwood

Good Bones and Simple Murders & the Tent Margaret Atwood

In *Good Bones and Simple Murders*, Margaret Atwood displays, in condensed and crystallized form, the trademark wit and virtuosity of her best-selling novels.

Among the jewels gathered here are Gertrude offering Hamlet a piece of her mind, the real truth about the Little Red Hen, a reincarnated bat explaining how Bram Stoker got Dracula all wrong, and the five methods of making a man. There are parables, monologues, prose poems, condensed science fiction, reconfigured fairy tales, and other miniature masterpieces.

In *The Tent*, Margaret Atwood has penned a collection of smart and entertaining fictional essays. Chilling and witty, prescient and personal, delectable and tart, these highly imaginative, vintage Atwoodian essays speak on a broad range of subjects, reflecting the times we live in with deadly accuracy and knife-edge precision.
