Tales Of A Traveller: Extended Annotated Edition

Washington Irving

Tales Of A Traveller: Extended Annotated Edition Washington Irving

This is the extended annotated edition including a detailed biographical primer on the life and works of the author.

The "Tales of a Traveller" are most remarkable for their second part, entitled " Buckthorne and his Friends," in which the author introduces us to literary life in its various aspects, as he had observed it in London, and to the relations in which authors at that time stood to the booksellers. His sketches of the different personages are individual, characteristic and diverting, yet with what a kindly pencil they are all drawn! His good nature overspreads and harmonizes everything, like the warm atmosphere which so much delights us in a painting.
