The Hidden Ancestral Identity of the American Negro is the introduction to a series of books for black American people to learn the omitted facts about their Heritage history. The books are intended to give a balanced overview of the true dynamics that is the core foundation of the United States and its relation to the destiny of Negro People of the America's called black Americans today.

In order for the survival of the black “American” population of people collectively, the who, what, when, where and why must be identified; and which methods are being used to create the deep seated sense of powerlessness black America is experiencing as a collective today. The purpose of this book is to clarify the identity behind the term “Negro” and help the current generations of Negro people aka black Americas to start an honest dialogue with their elders identified as Negro about their ancestry. The information contained in these pages will allow black “Americans” to identify distorted historical information, and why this distortion exists.

All books authored by RaDine America. Harrison are written in a format that will give the reader a lot of hidden pertinent facts about their ancestral heritage history quickly..
