The inspiration of Ernest Holmes has reached hundreds of thousands of readers through his classic works, many of which are just now becoming available in paperback. Originally published in 1929 as *The Bible in Light of Religious Science*, this exegesis on the hidden lessons of some of Scripture's best-known verses has been largely unavailable-and even unknown-since the 1940s. Indeed, this edition comes as a brand-new work to the many readers of Ernest Holmes. It is fully reset and redesigned, published for the first time with an index, and includes a new preface to frame the book for the contemporary reader.
