You Can Turn Your Life Around: Through Personal Progression (Creative Consciousness Book 13)

Curt H. von Dornheim

A young boy realizing that he could communicate with Spirits from beyond the grave, attended private classes of mediumship at the age of thirteen; then rejected everything concerning Spiritualism at the age of nineteen. However, his Spirit Guides never forsook him and were always present to Guide him through his years of education, years of military service, and throughout the rest of his life.

He eventually realized that he not only had a gift, but also a vocation to share with others, that which he was constantly being taught by his Spirit Guides.

He wrote his first book titled "Creative Consciousness," in 1990 then continued writing over 32 books well into old age. He always felt that all his books were Channeled from a Band of Spirits known as "The Teaching Spirits of Creative Consciousness."
