STARSTRUCK: The most SHOCKING child abuse true story you'll EVER read! (Child Abuse True Stories) Joey Alvarez

Hi there, my name is Joey. Today I'm just another thirty-something-year-old guy, living the suburban dream in southern California. But there's something my neighbours don't know about me. Something you'd never guess about me. Something, that up until these past couple of weeks, I'd never dream about telling you. Something you wouldn't believe.

I was, in the most horrific of manners, and by the most unlikely of people, sexually abused as a child.

Not shocked? Well, wait until you hear the full story...

WARNING: This book is based upon a true story of child abuse, and as such contains passages that some readers may find disturbing.
