The Picture Frame: A Horror Novel Iain Rob Wright

Classic horror from a master of the genre.

"Iain Rob Wright scares the hell out of me." J.A.Konrath

The past can be deadly.

Blake Price is the most celebrated mystery writer since Agatha Christie, but a violent tragedy has sent him and his family to a secluded cottage in the English countryside.

Trying to connect with his spirited ten-year old son and despondent wife is difficult, but Blake tries to hold the strands of his life together as best he can - but that becomes impossible when an old picture frame finds its way into his life. A picture frame that curses anybody unlucky enough to have their picture placed inside of it. Unfortunately, Blake's wife thinks the frame is just perfect for a family photo...

Some memories should stay buried.

Iain Rob Wright's most accomplished novel yet. Fans of the supernatural will find lots to love.

QUESTIONS FOR THE AUTHOR

How would you describe this book?

It's a classic "spooky" tale where things start off a little peculiar and slowly progress towards downright disturbing. It's a book heavy on atmosphere and characters.

Can you tell us a bit about the plot?

Sure! It is about a family. An ordinary family struggling to put the past behind them. When an evil force affects their lives, it forces them to come to terms with things a lot quicker than they had expected. It's about a man fighting to keep his wife and son from harm, but making mistakes along the way.

What author has most influenced you as a writer?

Like many other horror authors, Stephen King is the man I most respect. Like King, my books are about ordinary people in extraordinary circumstances. I, too, like to kill my darlings.

Anything you would like to say to someone buying this book?

Yeah, I hope it gives them nightmares, and if it does they should drop drop me a line and let me know. Other than that, just a big thank you for giving one of my books a try. I cannot express the gratitude I have that people allow me to do what I do for a living. I'm the luckiest guy in the world.
