Justice Trail (Nika) (Volume 1) K. D. Nelson

When fourteen-year-old Nika DeWinter breaks her arm, she doesn't think it's that big a deal—and, really, it isn't...because, in fact, it's a *huge* deal: that simple break will change her life forever.

After a routine blood test at the hospital reveals anomalies in her blood, Nika is forced to go and live with her father, who she's never met before, in a setting that's like no other she's ever encountered. Everywhere Nika looks, she sees amazing spectacles of magic, wonder, mystery, and danger, and she finds herself feeling unfamiliar emotions.

From fledgling curiosity and rebellion, to budding romantic attraction, Nika slowly but surely begins to discover herself and come to terms with who, and what, she is. But when a fire and murder interrupt her life, the comfort, companionship, and control she's only begun to experience are threatened. If she is to stay true to herself and live to see another day, Nika must embrace the danger that surrounds her and dredge through the past that confounds her—though doing so could prove fatal.

As you follow Nika through *Justice Trail*, expect the unexpected. Hers is a story you don't want to miss.
