Spin Game: Exposing Political Lies and Tactics Tony R. Olson

This book uncovers the facts that will allow the collective right to convey a consistent, factual, and unified response to the misrepresentations espoused by the Left. Spin Game is written as an educational tool for those with both a limited knowledge of political subjects and those who are looking for ways to combat Leftist rhetoric. It is also a fantastic reference tool for conservatives in political or news' fields. It provides the facts behind the issues, while exposing the dark side of politics. Many Americans avoid listening to talk radio, or watching TV news, because they receive conflicting information, or don't fully understand the subject matter. Once people are given complete, consistent facts (only a few in television media, such as Charles Krauthammer, provide accurate, unbiased information), a vast majority will reach a consensus. That knowledge will also empower more individuals to take an active role in shaping public discourse. The political right has done a poor job of articulating its respective messages, with too few warriors, aside from Mark Steyn, Michael Savage, Glenn Beck, Mark Levin and Rush Limbaugh. This book is presented in a clear, concise format that is enjoyable to read and easy to understand, and includes a talking points' section for quick reference. Tony Olson logged more than fifteen-hundred hours of research for Spin Game, reviewing more than twenty volumes of research material to insure the accuracy of his information. The issues covered in this book include: • Climate Change • Racism • Abortion • Minimum Wage • Income Inequality • Gun Control • Unemployment • Immigration • War on Women • Political Identity Knowledge is power. Facts have the ability to unite those with opposing viewpoints. Spin Game is a handbook for taking back America, one fact at a time. Whether you are seventeen or seventy, moderate conservative or extreme right, this book will open your eyes. Get the ammo you need to become a political warrior. Don't just fight the fight . . . win the fight.
