When the Tears of Prayer Fall Down Paul Adu

This book is about the author's experience on the altar of prayer. It is a spiritually empowering and life-changing book that explains how to approach God in prayers yourself. It touches on the nitty-gritty of rewriting your destiny without anyone's assistance. It emphasizes the fact that only you are in the best position to explain yourself to God. The main thesis of the book is that the power of answered prayers is not contingent upon any special anointing outside you. It hypothesizes that power to change your situation is not an exclusive right of any spiritual leader somewhere, and that it is a right you must claim by faith. The book also highlights various tested biblical and acceptable concepts of talking to God for an answer through your own prayers. Most importantly, it elucidates on how you can reach God through effective and fervent prayers for a fulfilled life style and destiny maximization.
