Wyatt Stone knows how easily a woman can destroy a man's trust, because he's been there. So when his attraction for Olivia Roberts brings him to the point of giving in to his desire for her, he knows the safest thing to do is not start something he can't finish, but Olivia is so irresistible. Olivia has been crazy about Wyatt since the first time she met him but he's as stubborn and ornery as any cowboy can be so when she finally seduces him, she's determined not to let him go. Only holding on to him may be what causes her to lose him and her heart in the end. But when the mother who abandoned her comes to town demanding what Olivia can't give, her world is turned upside down and Wyatt is determined to find out why even as he falls harder for the amethyst-eyed beauty.
