North Korea under Communism: Report of an Envoy to Paradise Cornell Erik

After the collapse of the Soviet world, North Korea alone has continued on the rigid communist way, in spite of its economic consequences leading the state beyond ruin to famine. What are the reasons behind this peculiar choice of direction? Why did the leaders in Pyongyang pursue a policy abandoned not only by the Soviet Union, but also by China and Vietnam?

The author of this book spent three years as head of the embassy of Sweden in Pyongyang. Until a few years ago, it was the only Western embassy in North Korea. His unique experiences are related with descriptions of day-to-day life and with analyses of economic, political and ideological conditions. A picture is drawn of a society and a political order that defy both human nature and common sense.

Yolanda Harris:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this North Korea under Communism: Report of an Envoy to Paradise can make you feel more interested to read.
