What the Bible Says About Child Training Workbook Virginia R. Fugate

This Workbook/Study Guide is a companion to the book, *What the Bible Says About Child Training*, by J. Richard Fugate. It is NOT a stand-alone product that has much value apart from its accompanying text. It contains 88 pages of review questions, personal application and discussion points, and memory verses for each chapter organized within a suggested 13-week schedule of reading assignments and class discussions. A group Bible study can be led with only one copy of the workbook, if each participant has their own copy of the book. (Pass outs can freely be made by copying key pages for the attendees.)
