Sterling Braswell has two tickets to crazy town: one is his riveting personal account of meth addiction and the other is a thorough global history of the methamphetamine epidemic.. Sterling Braswell was a millionaire -- palatial ranch, stock options, and money in the bank. Then he met his high school sweetheart after not seeing her for over ten years. With their love rekindled, they were married. Life was beautiful. They had no real worries, a lovely son, and a bright future. Then she started using meth. The craziness of the next few years would leave Sterling almost completely broke financially, emotionally, and spiritually ... and nearly murdered.
